THE FREEHOF INSTITUTE OF PROGRESSIVE HALAKHAH

The Freehof Institute of Progressive *Halakhah* is a creative research center devoted to studying and defining the progressive character of the *halakhah* in accordance with the principles and theology of Reform Judaism. It seeks to establish the ideological basis of Progressive *halakhah*, and its application to daily life. The Institute fosters serious studies, and helps scholars in various portions of the world to work together for a common cause. It provides an ongoing forum through symposia, and publications including the quarterly newsletter, *HalakhaH*, published under the editorship of Walter Jacob, in the United States. The foremost *halakhic* scholars in the Reform, Liberal, and Progressive rabbinate along with some Conservative and Orthodox colleagues as well as university professors serve on our Academic Council.

This collection of essays is the product of the fifth symposium held in Chicago during June 1994. This book follows the volumes *DYNAMIC JEWISH LAW, Progressive Halakhah - Essence and Application* (1991), *RABBINIC - LAY RELATIONS IN JEWISH LAW* (1993), *CONVERSION TO JUDAISM IN JEWISH LAW* (1994) and *DEATH AND EUTHANASIA IN JEWISH LAW* (1995). It is part of a series whose subjects are diverse and the approaches taken by the authors are equally so. We wish to encourage wide ranging discussions of contemporary and historic themes.
